Hi Doug,

I saw Victoria from the MMA last week and got her to lock down two dates for that outreach materials meeting on MS4. What day works for you below? I like the 14th at 1pm.

Anthony

Hi Anthony,

Nice meeting you in person last week. Two meeting dates that work well for John Robertson and I are December 12 and December 14, we are both free all day. I have invited Geoff to join us as well. If a date further out would work better, just let me know.

Thanks,

Victoria

Hi Victoria,

Just wanted to get a few things to you and to Mr. Beckwith although I didn't have his email. DEP has put together an online library of outreach materials to assist municipal officials on MS4 permits. We along with EPA want to get MMA's feedback and suggestions on it. I understand that the MMA was on the forefront advocating for these types of materials and we want to make sure we run it by you folks first.

I am also following up on an email that Commissioner Suuberg sent to Mr. Beckwith to discuss a question that was asked of us at a recent EBC conference held in our Western Region. Dan Moon of EBC (Environmental Business Council of New England) had asked us to work with MMA to have them become a more active participant some EBC events throughout the Commonwealth.

Can you help me get some dates that would work for you folks at MMA and I'll coordinate with EPA? We'd be happy to meet at MMA.

Thanks Victoria!
